# Online Promotional Tools In Marketing You Should Have

You should have these promotional tools in your online business

## **Rss Feeds**

An rss feed is content that is continuously being updated, people can subscribe to your feed to get the most current content from you, to make money through your rss feeds you'll create links in your content that'll direct your rss feed subscribers to the products/services you want them to niche to buy in the niche

## **Blogs**

A blog is website you post entries to whenever you want. You can use you use the entries you post to your blog as rss feeds too, you may consult your blog platform documentation to know how to use your blog as an rss feed. You can use your blog to promote your website by linking to your website on it and also by promoting your blog on social bookmarking sites, blog search engines and blog directories.

## **Feedburner.com**

Feedburner.com service is a free service that allows others to subscribe to your blog as an rss feed, you can also use feedburner.com services to put your rss feed as content on other people's website. You may subscribe to feed burner for free at [www.feedburner.com](http://www.feedburner.com).

## **Autoresponders**

If you want to make more money from your website you'll need to use an autoresponder to follow-up on your web visitors when they visit your site. An autoresponder is an email service you can use to send emails as newsletter issues over a period of time at different intervals to subscribers on your list, you can ask visitors to your site to opt-in onto your autoresponders list so you'll be able to reach them as often as you want to make more sales.

## **Ebook Compilers**

You'll either need an ebook compiler to create your product as ebook or use ebooks as free giveaways to your targets online. An ebook is a web page(s) or document(s) compiled as a single file. You may compile your articles, ecourses etc as an ebook. You make money through ebooks by adding the links to the products/services you sell to ebook content. You may also use your ebook for viral marketing by creating free ebooks others can give away for free.

Other promotional tools are ad trackers, web analysis software/services etc

Your intention for using any promotional tool is to make the sale, always ensure that the promotional tool you use is doing its job and is increasing your online income in one way or the other.
